Eligibility criteria
You are eligible to apply for credit transfer if you have completed one or more course in a qualification at the former accredited institution comparable with the programme you are planning to enroll at The One Academy.

Credit transfer will not be granted for non-academic, such as vocational and technical courses.

Total Allowable Credit Transfer

- Credit value - similar to the course curriculum of the receiving IPT.
- The equivalent of course curriculum - not less than 80%.
- Passing grade - minimum of grade C.
- Transferred credits will not be calculated in the GPA and the CGPA. Transferred credits will be taken into account to fulfil the total credit requirements for graduation.

When to apply
Submission must be made to the Registration staff at Student Support Centre (during application for admission). Application for credit transfer by local students should be made at least 4 weeks before the commencement of the programme, whereas for international students, the application should reach us eight (8) weeks before the commencement date of intake. Application will not be accepted after the programme has commenced.

Credit Transfer fees
There is no charge for Credit Transfer application, however, a non-refundable registration fee of RM500.00 is payable upon application.

Outcome
Once the assessment process is completed, the Registration Staff will notify you of the outcome by telephone/SMS. A letter with regard to confirmation of credit transfer will be issued to you.
